

1               5. Common Sense is managed by a team of experts in child advocacy, public  
2 policy, education, technology, media, and entertainment, and is supported by a highly  
3 distinguished Board of Directors and Board of Advisors. A true and correct copy of the lists of  
4 Common Sense board members is appended hereto as Exhibit A.

5               6. In particular, I have been a leader in children's media issues for over  
6 twenty-five years. I founded Children Now, a leading national advocacy and media organization  
7 for children, as well as JP Kids, a successful and respected family media company. I have also  
8 been a faculty member teaching civil rights and civil liberties at Stanford University for the past  
9 twenty years, and understand the case law and legal issues at stake. Finally, I am the author of the  
10 widely acclaimed book, *The Other Parent: The Inside Story of the Media's Effect on Our*  
11 *Children*. A true and correct copy of my curriculum vitae is attached hereto as Exhibit B.

12              7. I am familiar with the work of the leading experts in the field as well as a  
13 wide variety of the relevant literature and scholarly research that has been performed on the topic  
14 of media's enormous impact on children and youth. I have read the expert testimony submitted  
15 by the parties to this action, and I have also read the recent decision of the Illinois district court in  
16 Entertainment Software et al v. Blagojevich et al., United States District Court for the Northern  
17 District of Illinois, Case No. 05 C 4265 (the "Illinois action") issuing a permanent injunction  
18 against the implementation of Illinois' Violent Video Games Law. I am familiar not only with  
19 the work of the researchers cited by the parties to this case, but am also familiar with the work of  
20 numerous other highly qualified experts whose work has not been cited or discussed by either  
21 side and whose testimony would be, I believe, of great value to the court in deciding the issues  
22 presented by this case.

23              I declare under penalty of perjury under the laws of the State of California that the  
24 foregoing is true and correct. Executed on February 1, 2006 at San Francisco, California.
